

# DADDY WHERE DID I COME FROM

Keith Emerson  
Lee Jackson

So I WONDER WHY WHEN THE PIE IN THE SKY GETS GREEN AT THE EDGE OF THE  
SCENE THAT I'M PASTING. ASK QUESTIONS. SO I ASK MY MA AND SHE SAYS  
ASK YOUR PA — AND HE SAYS ASK YOUR MA AND WONDERS WHY HE IS CHASED. ASK QUESTIONS.  
So then you fill me up with the gooseberry bush and  
tales of the stork, and you tell me to hush when I ask questions.  
INSTRUMENTAL SECTION :  
With your back teeth floating in a gallon of booze. You  
can't even work out how to fasten your shoes. You get yourself in to such a state you're  
found drunk in charge of a roller skate. It's no small wonder that you can't even answer questions.
